

Brass Enlarger Adapter – Reliable Thread Conversion and Extended Connection Performance. The T6600 brass enlarger adapter delivers robust thread conversion, extended connection depth, and long-term durability in demanding indoor and outdoor environments.

- material : brass

- Nickel-plated brass construction for exceptional corrosion resistance
- Suitable for outdoor exposure, acidic environments, oils, and industrial fluids
- Enables connection from smaller conduits/fittings to larger threaded holes, boxes, or panels
- Extends total connection length for challenging mounting scenarios
- EPDM O-ring provides improved high-temperature resistance and reliable sealing
- Supports transitions between thread standards: Metric-PG, NPT-Metric, PG-Gas, etc
- Ensures secure male-female thread adaptation
