

Nylon Cable Glands Dome Top

- material : nylon 6
- standard : EN62444 UL514B
- color : 7001
- Polyamide PA6 core
- CR (Chloroprene) seal
- Flammability: V2 according to UL94
- Best performance for standard industrial applications
- Nylon Cable Glands are great for use in solar power energy systems, electrical equipments and electrical machines
- With T1470 polyamide locknut
- UL Listed
- Color : Gray

Technical Details

Product Code	Size I	A	B	C	D	E	F	Net Weight (kg/pc)	In Pack (pc)
