

## EMT Conduit Colored

- material : steel
- color : 9004
- Pre-galvanized light steel core
- Easy carry and montage
- Mechanical protection
- EMT interior coating provides a smooth surface for faster wire pulling
- High grade durable & ductile steel for long life
- Not possible to bending and threading operations
- RL model is manufactured 10-feet (3,05 meters) lengths
- Color : Black (RAL9004)

### Technical Details

Product Code	Size I	A	B	C	D	E	F	Net Weight (kg/m)	In Pack (m)
RL916	1/2"	16.43	17.93	0.75				0,277	30.50
RL921	3/4"	21.72	23.42	0.85				0,419	30.50
RL926	1"	27.34	29.54	1.10				0,704	30.50
RL935	1 1/4"	35.95	38.35	1.20				1,010	15.25
RL940	1 1/2"	41.80	44.20	1.20				1,169	15.25
RL952	2"	53.02	55.80	1.30				1,616	15.25
